Italian Health Care System
A short guide for foreign students
(Services offered, documents needed, how to register)
The “key actors” are

-Azienda USL Toscana sud est is the Local Health Authority supplying standard medical assistance

-Azienda Ospedaliera Universitaria Senese is the Siena General Hospital providing in-patient and out-patient treatments and specialized care

-Other General Hospitals available:
  Ospedale di Nottola (Montepulciano)
  Ospedale di Campostaggia (Poggibonsi)
  Ospedale di Abbadia San Salvatore
The Italian healthcare system is funded through direct taxation and is handled at a local level by the Local Health Authority (Azienda USL).

Italian citizens are required to make a co-payment (called “ticket”), depending on their annual income, for most of the specialized visits and to purchase medicines.
Services offered

Services offered

**Family doctor (General Practitioner)**

A doctor you can refer to when:

- you need general medical advice
- you need a medicine that pharmacies are allowed to sell only with a doctor’s prescription (called “ricetta”)
- you need to request a specialized visit or examination (blood tests, dermatologist’s visit, etc.)

Family doctors are only available during their office hours (for more information visit our website [www.usl7.toscana.it](http://www.usl7.toscana.it), **Ambulatori dei medici e pediatri di base**).
Services offered

Specialized visits or examinations (i.e. blood test, oculists, dermatologists, x-rays etc.)

You must first consult your family doctor. If needed, he/she will issue the request (“impegnativa”) required for most of the treatments supplied by Azienda USL Toscana sud est.

To book visits or examinations:
- Call the Booking Service (Centro Unico di Prenotazione) 0577 767676 (office hours Monday to Friday 8-18 Saturday 8.30-13)
- Fill in the form on the website www.usl7.toscana.it
- http://usl7.zerocoda.it/ (blood tests only)
